

INSURANCE FOR YOUR LIFESTYLE

Get to know us

As a global insurance organization, American International Group, Inc. (AIG) serves millions of commercial, institutional and individual customers in more than 80 countries and jurisdictions. Our Private Client Group, a division of the AIG member companies, specializes in personal risk management for successful individuals and families.

About AIG Private Client Group

We provide the coverage necessary to sufficiently preserve high-value assets and personal liability. Protection is augmented with services to help you minimize property damage and bolster safety, and all of this comes in one custom-tailored package. Look to us to assist with safeguarding fine homes, automobiles, excess liability, art and other collectibles, yachts and more.

- AIG Private Client Group entered the market in 2000. Since then, we have grown to over 80,000 clients and over \$1.7 billion in revenue.
- We strive to exceed expectations, and we are proud of the fact that policyholders throughout our history have overwhelmingly rated our claim service as "exceptional."
- Our services reflect a relentless commitment to loss mitigation. They include Art Collection Management; disaster preparedness for hurricanes, wildfires and earthquakes; Yacht Loss Prevention; Smart Build; water damage mitigation; travel assistance; cybersecurity assistance and more.
- Policyholders with the most complex protection needs are paired with a dedicated AIG advisor to facilitate access to all offerings and support.
- Single- and multi-family office professionals can rely on AIG to protect the business entity along with the assets of family members.
- We work with a select group of the finest independent insurance agents and brokers in the industry. These individuals have met rigorous appointment criteria and are highly specialized and dedicated to advising high net worth clients.
- Our continuing education program offers nearly 40 personal risk management courses for advisors and agents, enabling your insurance advisor to stay on top of trends and best practices for protecting your family.
- Through our multinational property program, we can extend consistent homeowners coverage to over 20 countries for policyholders based in the U.S.
